ADLER, G. H., Habitat relations within lowland grassland rodent communities in Taiwan 563

ALCOCK, J. and BAILEY, W. J., Acoustical communication and the mating system of the Australian whistling moth *Hecatesia exultans* (Noctuidae: Agaristinae) 337

ALEXANDER, R. L., Evidence of a counter-current heat exchanger in the ray, *Mobula tarapacana* (Chondrichthyes: Elasmobranchii: Batoidea: Myliobatiformes) .. 377

ARNOULD, J. P. Y. and BOYD, I. L., Temporal patterns of milk production in Antarctic fur seals *(Arctocephalus gazella)* 1

BLANCO, C., AZNAR, J. and RAGA, J. A., Cephalopods in the diet of the striped dolphin *Stenella coeruleoalba* from the western Mediterranean during an epizootic in 1990 151

BOWLAND, A. E. and PERRIN, M. R., Temporal and spatial patterns in blue duikers *Philatomba monticola* and red duikers *Cephalophus natalensis* 487

BREED, W. G., Spermatozoa of murid rodents from Africa: morphological diversity and evolutionary trends 625

CLODE, D. and MACDONALD, D. W., Evidence for food competition between mink (*Mustela vison*) and otter (*Lutra lutra*) on Scottish islands 435

CROXALL, J. P., HALL, A. J., HILL, H. J., NORTH, A. W. and RODHOUSE, P. G., The food and feeding ecology of the white-chinned petrel *Procellaria aequinoctialis* at South Georgia 133

CUMMING, M. S., Activity patterns of termite-eating land planarians *Microplana termitophaga* (Platyhelminthes: Tricladida) 531

CUNDALL, D., Feeding behaviour in *Cylindrophis* and its bearing on the evolution of alethinophidian snakes 353

DICKMAN, C. R., Diets and habitat preferences of three species of crocidurine shrews in arid southern Africa 499

GORMAN, M. L. (Ed.), Communications from the Mammal Society—No. 71 653

The effect of premature weaning on reproductive output of female Cape porcupines *Hystrix africaeaustralis*, by R. J. VAN AARDE, p. 653; Small mammals from Viking-age Repton, by D. W. YALDEN, p. 655; Capture success for pygmy and common shrews (*Sorex minutus* and *S. araneus*) in Longworth and pitfall traps on upland blanket bog, by R. F. SHORE, D. G. MYHILL, R. LHOTSKY and S. MACKENZIE, p. 657; Does hunting pressure affect the flushing behaviour of brown hares (*Lepus europaeus*)?, by M. R. HUTCHINGS and S. HARRIS, p. 663; Observations of extra-group mating and mate-defence behaviour in badgers, *Meles meles*, by S. F. CHRISTIAN, p. 668; A simple negative staining technique for the identification of mammal hairs, by J. L. DAGNALL, J. G. DUCKETT and J. GURNELL, p. 670; The home-range size of wood mice *Apodemus sylvaticus* living in set-aside and surrounding semi-natural and crop land, by L. M. ROGERS and M. L. GORMAN, p. 675; Prey brought home by two domestic cats (*Felis catus*) in northern Scotland, by D. N. CARSS, p. 678; A comparison of body condition in riverine and coastal mink (*Mustela vison*), by D. CLODE, E. C. HALIWELL and D. W. MACDONALD, p. 686

HARTL, G. B., KLEIN, F., WILLING, R., APOLLONIO, M. and LANG, G., Allozymes and the genetics of antler development in red deer (*Cervus elaphus*) 83
HARTMAN, G. D., Age determination, age structure, and longevity in the mole, *Scalopus aquaticus* (Mammalia: Insectivora) 107
HAYWARD, P. J. and RYLAND, J. S., The British species of *Schizoporella* (Bryozoa: Cheilostomatida) 37
HELLER, K.-G., Acoustic signalling in palaeotropical bushcrickets (Orthoptera: Tettigonioidea: Pseudophyllidae): does predation pressure by eavesdropping enemies differ in the Palaeo- and Neotropics? 469
HEYMANN, E. W., Sleeping habits of tamarins, *Saguinus mystax* and *Saguinus fuscicollis* (Mammalia; Primates; Callitrichidae), in north-eastern Peru 211
HILL, D. A., LUCAS, P. W. and CHENG, P. Y., Bite forces used by Japanese macaques (*Macaca fuscata yakui*) on Yakushima Island, Japan to open aphid-induced galls on *Distylium racemosum* (Hamamelidaceae) 57
JONES, G., Flight performance, echolocation and foraging behaviour in noctule bats *Nyctalus noctula* 303
LAWSON, R., BURCH, S. J., OUGHTERSON, S. M., HEATH, S. and DAVIES, D. H., Evolutionary relationships of cartilaginous fishes: an immunological study .. 101
LUCHERINI, M., LOVARI, S. and CREMA, G., Habitat use and ranging behaviour of the red fox (*Vulpes vulpes)* in a Mediterranean rural area: is shelter availability a key factor? 577
MARQUEZ, R., DE LA RIVA, I. and BOSCH, J., Advertisement calls of Bolivian Leptodactylidae (Amphibia, Anura) 313
MERILÄ, J. and WIGGINS, D. A., Offspring number and quality in the blue tit: a quantitative genetic approach 615
MOORE, J., MOORE, N. W. and GIBSON, R., Land nemertines of Rodrigues 241
MORTON, B., The ecology and functional morphology of *Trigonothracia jinxingae* (Bivalvia: Anomalodesmata: Thracioidea) from Xiamen, China 445
NAVARRO, P., GUERRERO, F., PEREZ-MELLADO, V. and LLUCH, J., Description of a new species: *Dorylaimus parasiticus*, a parasite of amphibians in the Iberian Peninsula (Nematoda: Dorylaimida) 169
PURVIS, A. and HARVEY, P. H., Mammal life-history evolution: a comparative test of Charnov's model 259
QUALLS, C. P., SHINE, R., DONNELLAN, S. and HUTCHINSON, M., The evolution of viviparity within the Australian scincid lizard *Lerista bougainvillii* 13
RASMUSSEN, S., YOUNG, B. and KRIMM, H., On the 'spitting' behaviour in cobras (Serpentes: Elapidae) 27
REDPATH, C. J., THIRGOOD, S. J. and REDPATH, S. M., Evaluation of methods to estimate field vole *Microtus agrestis* abundance in upland habitats 49
SHANAS, U., HETH, G., NEVO, E., SHALGI, R. and TERKEL, J., Reproductive behaviour in the female blind mole rat (*Spalax ehrenbergi*) 195
SILLERO-ZUBIRI, C. and GOTTELLI, D., Spatial organization in the Ethiopian wolf *Canis simensis*: large packs and small stable home ranges 65
SKINNER, J. D., VAN AARDE, R. J. and GOSS, R. A., Space and resource use by brown hyenas *Hyaena brunnea* in the Namib Desert 123
SODERQUIST, T. R., Spatial organization of the arboreal carnivorous marsupial *Phascogale tapoatafa* 385

SOLOW, A. R. and FABER, D. B., A test of Przibram's Rule 159
SPITZ, F. and JANEAU, G., Daily selection of habitat in wild boar (*Sus scrofa*) 423
TROUT, R. C. and SMITH, G. C., The reproductive productivity of the wild rabbit (*Oryctolagus cuniculus*) in southern England on sites with different soils 411
VAZQUEZ, E., RAMOS-ESPLA, A. A. and TURON, X., The genus *Polycarpa* (Ascidiacea, Styelidae) on the Atlantic and Mediterranean coasts of the Iberian Peninsula .. 593
VENKATARAMAN, A. B., ARUMUGAM, R. and SUKUMAR, R., The foraging ecology of dhole (*Cuon alpinus*) in Mudumalai Sanctuary, southern India 543
WATT, J., Seasonal and area-related variations in the diet of otters *Lutra lutra* on Mull 179
WESTLIN, L. M., Fostering in an African rodent, *Saccostomus campestris* (Cricetidae) .. 163
WIEBE, K. L. and BORTOLOTTI, G. R., Egg size and clutch size in the reproductive investment of American kestrels 285
WIIG, Ø., Distribution of polar bears (*Ursus maritimus*) in the Svalbard area 515
WOODALL, P. F., The penis of elephant shrews (Mammalia: Macroscelididae) 399
WOODROFFE, R., MACDONALD, D. W. and DA SILVA, J., Dispersal and philopatry in the European badger, *Meles meles* 227
